### BRIDGEPORT HIGH SUFFERS DEFEAT

Colors Lowered to New Britain in First Heme League Game by Score of 11 to 6.

Bridgeport High dropped its first home league game Saturday to New Britain High by the score of 11-6 after one of the bitterest battles ever fought but between two school teams on a ocal gridiron. New Britain came here with the intention of wiping B. H. S. off the map, but according to Captain Dave Dunn of the visiting school boys, the local aggregation was the scrap-piest and gamest bunch his team has tackled in many a day. A little prior dope on what the local followers exdope on what the local followers ex-pected. Bridgeport traveled to Middle-town a week ago Saturday and tied the High school team of that burg 0-0; this week prior New Britain was in Middletown and won by the over-whelming score of 41-0. Figuring out those results the local followers could expect nothing but a bad trimming. That their expectations received a big jolt was clearly shown. Bridgeport was outweighed ten to fifteen pounds to the man, but that did not put a stop to the ardor of the local lads. It may be stated that had Quarterback Savage and Halfback Hurd been drillmay be stated that had Quarterback Savage and Halfback Hurd been drilled more in the art of handling punts, the score would have been a A low estimate on their inability to catch the kicks lost Bridgeport something like 200 yards. On the other hand, these two men, especially Hurd, made up for this deficiency in their offensive work. Hurd was like an eel, easily evading the New Britain tacklers, while Savage ran his team like a veteran. In the main, the work of Fullback McCarthy of the locals shone out above all the rest. It was to his credit that the ball was kept in New Britain territory during the first half, while in the second it was his strong line bucking that scored the touchdown for Bridgeport. Left Halfback Gibney of the visitors was the one lad who did the most to spoil the locals chances, he was seconded by Captain Dun, who played fuilback. The visitors won the toss and chose to have the ball kicked to them. By using the forward pass to advantage and skirting the B. H. S. right end they rushed the ball well into dangerous territory, Bridgeport braced, and the ball was given to them. Both Harvard and Yale now have met West Point on the gridiron and the field.

Michigan's overwhelming defeat adds a welcome fillip of interest to the Pennsylvania-Michigan battle. The hitherto laggard Wolverines spring against the Army bears on the result on November 20. This Harvard eleven will take a lot of beating. It is a football team through and through, splendidly drilled in fundamentals and with a fine supply of material. Maybe if hasn't as many good substitutes as Yale, but what subs took part in the West Point game were all right.

West Point experts, after meeting Elis, pronounced Yale the strongest football aggregation that ever bore down on the Point. The tragedy of last Saturday which resulted in the death of Cadet Byrne drove all idea of comparison between Harvard and Yale from the immediate thought of the experts, but up to the time the game was stopped Harvard had done enough to convince the lookers on that Harvard, too, had an array of talent such as not often has been seen at the Point. "I should be quite well, if it were not necessary to eat," is a common statement made by sufferers from this form of stomach complaint. Many of them actually dread the approach of meal time, knowing what disagreeable symptoms they are sure to experience after eating; and would doubtless discontinue the ingestion of food into their stomachs altogether if it were possible to live without eating.

There is really no necessity whatever for flepriving one's self of the pleasures of the table, or to starve the rest of the system because the stomach is derelict in its duty, and does not digest the food as quickly or as thoroughly as it should.
